

Annual National Specialty Auction

The 2008 National Specialty will feature a Live Auction following the Annual Banquet on Saturday evening, May 3th. This event is always known for presenting some beautiful and unique one-of-a-kind items to Great Pyrenees fanciers in attendance.

Whitney Coombs has once again graciously agreed to be the Auctioneer and is sure to make the evening fun, fast paced and interesting!

During the Specialty week, HOGPC's Hospitality room will feature 2 Silent Auctions. One auction will consist of smaller items that you may bid on throughout the hours the Hospitality room is open.

The second auction will consist of Regional Gift Baskets donated by Regional clubs. Both auctions will culminate Saturday evening and the winners will be announced at the Banquet.

Any donations for the auctions are greatly appreciated and can be sent to:
